

LEEDS CITY COUNCIL

SECTION 90C HIGHWAYS ACT 1980 TRAFFIC CALMING MEASURES BECKETTS PARK DRIVE, WEETWOOD

Leeds City Council proposes to introduce traffic calming measures under Section 90C of the Highways Act 1980 by placing at appropriate points on the highway concerned a Notice of its proposals. The effect of the proposals will be to introduce the following traffic calming measures in the Weetwood Ward, Leeds:-

Three thermoplastic humps, 0.9 metres in length, a range of widths and 37 millimetres above the carriageway level, to be located on Becketts Park Dr:

- One thermoplastic hump with a width of 4.6 metres at a distance of 45 metres south-west of its junction with St Chad's Gr.
- One thermoplastic hump with a width of 5.7 metres at a distance of 131 metres south-west of its junction with St Chad's Gr.
- One thermoplastic hump with a width of 5.3 metres at a distance of 57 metres north of its junction with St Anne's Rd.

The intended locations of the thermoplastic humps are shown on the drawing below.

A copy of this Notice, plan and full details of the proposals are available on request by e-mailing the address below.

If you wish to object or make any representations concerning the traffic calming measures you should write to Libby Sweeney, Traffic Management, Highways and Transportation, Merrion House, Leeds LS1 1UR, or email libby.sweeney@leeds.gov.uk, specifying the grounds on which your objection or representation is made, no later than 28 July 2026 quoting reference [1527/LCC/00]
